

The Swiss-based family owned company Bühler is a global, industrial solution provider for processing foods and for manufacturing advanced materials, contributing to food security and high energy efficiency.

Around 65% of the worldwide harvested grain is processed on Bühler mills, around 50% of all car tail lamps or head lamps are getting metallized on Bühler machines. Every day, billions of people come into contact with Bühler technologies to cover their basic needs for foods, mobility, or communication.

For our subsidiary Bühler Praha s.r.o. located in Střítež u Jihlavy we are looking for:
