

6 Month Graphic Design& Project Coordinator Internship

DYSGP2408

PLEASE READ CAREFULLY BEFORE CONTINUING.

ESPA or European Student Placement Agency is a recruitment agency whose goal is to find high quality internships for European students and recent graduates in the UK. We work closely with our host companies to ensure the positions provide the candidates with a great experience, both professional and personal.

REQUIREMENTS: ESPA vacancies are open to all EU passport holders able to travel to the UK and Ireland for an educational work placement, without the need for visa documents. You have to still be a student or have graduated in the last 12 months. Any student who is unsure of their visa situation should check with their university before applying.

BENEFITS: All ESPA's services are **free** for students and alumni. The benefits are:

- 1) Paid Accommodation.
- 2) Paid Utility Bills (electricity, gas, water and council tax) + Internet Access
- 3) Commuter travel to work (accommodation will be found within an acceptable commuting distance from the workplace, if that requires more than a sensible walk then a bus/train ticket will be provided).

This will be sourced and managed on your behalf by ESPA. **These benefits have an approximate value of 700€-1000€ per month (depending on location).**

There is no salary over and above the benefits offered, unless specifically stated.

The Host Company

This is a company whose products are in more than 65 countries around the world and employs more than 5,000 people worldwide. Leaders in Technology, this host company is constantly looking to grow and expand their team as well as develop the design and user experience of their products. Now, they are searching for the next generation to work on developing future technologies and they are looking for people with bright ideas to contribute to their success.

Role

The Intern will be responsible for the creating of visual concepts in modern software, to communicate ideas that inspire and inform consumers. The aim of the role is development and asset creation for use in-store, online and across multimedia platforms. The right candidate will be involved in many different projects offering support and ideas, and working in a team with colleagues from other departments.

Location

Sandyford, is a suburb of Dublin, located in Dún Laoghaire–Rathdown county, Ireland. A major part of Sandyford today is composed of the Sandyford Industrial Estate and related developments.

Duration

6 months

Start date

As soon as possible 2016

Languages

Fluent in written and spoken English.

Tasks

- Asset creation for use in-store, online and across multimedia platforms in both 2D and 3D execution.
- Offering support to all creative projects for Ireland from brief to execution.
- Analysis and reporting of all visual communications for the host company's brand in Ireland.
- Working with different departments, briefing and advising them with regard to design style, format, print production and timescales.
- Estimating the time required to complete the work and providing feedback for department heads.
- Presenting finalized ideas and concepts for supervision and approval.

Personal Skills

- In-depth knowledge of Photoshop, In-Design or Illustrator.
- Project management skills are a must.
- Experience in mobile UI / UX design is a plus.
- Detail orientated and with a good sense of color, typography and composition.
- Proven talent for creating fresh, unique and professional content.
- An innovate self-starter who has the ability to problem solve, be creative, is ambitious and has a strong work ethic.
- Great presentation skills and the ability to cope with several projects at a time.
- An understanding of the latest trends and their role within a commercial environment.
- Accuracy and attention to detail.
